

AAGP Sydney Large Group

Dialogue ...

A bridge to citizenship?

As Large Groups embody citizenship, they become an as-if society, where each member brings some part of the whole to life and voice. Each part, even in silence is important. To find one's part, one's place requires a particular orientation, practice and a certain amount of courage.

The Sydney Large Group has continued meeting for 8 years. It now has an international membership as well as people from Australia. This temporary society will next meet on 14-16 October.

As each event is experiential, attendance at all 5 sessions each weekend is encouraged.
