

"THE GROUP - GREATER THAN THE SUM OF ITS PARTS?"

A 2 day exploration of groups and group psychotherapy

An AAGP education programme for anyone interested in deepening their understanding of groups or are thinking of running a group

LEARN

- why should I do group therapy - what do people want?
- about the frame and how to hold it
- selection of group members
- the role of the therapist
- how to manage difficult situations
- how to intervene - balancing the needs of individual and group
- co-therapy

The programme provides both theoretical learning and an experiential group. Preliminary readings will be supplied.
