

# Australian Association of Group Psychotherapists 2015 Brisbane Conference

**Saturday 27th June and Sunday 28th June 2015**

Venue: Diana Plaza hotel conference rooms

## **Members Only conference**

One of the reasons we run groups is to create the space for talking, thinking and reflecting with others. As practitioners many of us don't have much opportunity to have this for ourselves. This conference is focused on this idea, that we too both need and enjoy the opportunity to talk and think together about our work.

To this end we have allowed space on the Saturday for discussion about the work we do, prompted by the morning's presentations.

We are also including the luxury of double the usual time for the Sunday morning Reflections Group.
